Our Statement

For more than two decades, Mdibi Logistics and Projects has supplied and delivered specialised solutions to national departments, metros and municipalities, state-owned entities and private industry. Our vision is to be a leading industrial solutions provider in Africa.

We are a one-stop partner. Our team sources, supplies, fabricates, delivers and installs, and we stay involved after handover with technical advice and after-sales support.

Why Choose Mdibi

Clients come back to Mdibi because we make complex supply simple, and because we deliver what we promise.

Proven Experience

20+ years of delivering for government, SOEs and industry, with clients who come back.

Dedicated Team

25+ skilled people who source, fabricate, deliver and install, with one contact for every project.

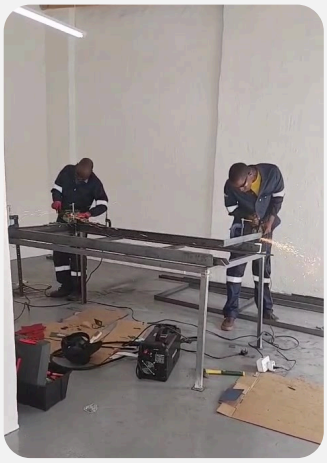

On-Time Delivery

Quality Focus

Every order is checked against specification and delivered with full documentation.

Affordable Solutions

Competitive pricing from trusted local and international manufacturers, without cutting quality.

Our Values

"QUALITY, INTEGRITY AND SERVICE EXCELLENCE IN ALL WE DO.

01

Quality First

Products that meet spec and last in tough South African conditions.

02

Integrity Always

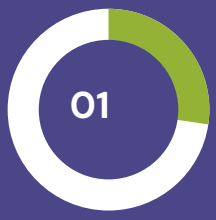

Honest pricing, reliable timelines and open communication.

03

Service Excellence

Responsive support from first quote to after-sales care.

Case Study

- City of Ekurhuleni
- Steel skip bins

- SABS, Pretoria
- Ladder test rigs

1550+

Projects completed for our clients

From municipal assets to rail components and testing equipment, every project is managed from sourcing to delivery by one dedicated team.

Skip Bins City of Ekurhuleni

Heavy-duty steel skip bins for the City's waste services, finished in municipal colours, branded and individually numbered.

Ladder Test Rigs SABS, Pretoria

Rigs fabricated in our workshop, then delivered and installed at the SABS testing facility.

Locomotive Axles Transnet

Axles for the national rail fleet, sourced, inspected and delivered to specification.

WE DO. WHAT IS RIGHT,
ON TIME, EVERY TIME.

30+

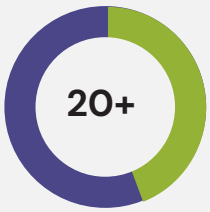

Partners and suppliers, locally and abroad.

Our Numbers

2008	Founded and registered in South Africa
100%	Black-owned company
12	Service lines, from rail to ICT
4	Sectors: government, metros, SOEs, industry

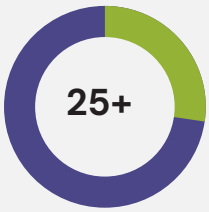

Mdibi in numbers

Since 2008 we have supplied government departments, municipalities, state-owned entities and private industry across rail, energy, safety and industrial supply.

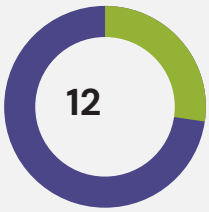

Years in Business

Supplying and delivering since 2008.

Expert Workers

Skilled in supply, fabrication and install.

Service Lines

Rail, safety, energy, machinery, ICT, steel.

Our Commitment

Every Mdibi project is backed by the same promises, led from the top.

> At Mdibi our name means “We Do”, and that is the standard we hold ourselves to. When a client trusts us with rail components, fire and rescue equipment or a full installation, we take ownership from the first quote to the final handover. We would rather under-promise and over-deliver than the other way around.

Mr Awelani Muhanelwa

Chief Executive Officer

Our Four Commitments

Safety First

Trained teams, correct PPE and safe work procedures on every site.

Quality Assured

Products sourced to specification and checked before they leave us.

On-Time Delivery

Clear timelines, honest updates and delivery when we said we would.

Full Accountability

One dedicated contact who owns your order from quote to handover.

One accountable partner. From first quote to final handover.
